

Photographer's Insurance, Simplified.

What is covered under a Thimble Photographers' insurance policy?

✔ **GENERAL LIABILITY**

✔ **PROFESSIONAL LIABILITY**

You're covered with both general liability and professional liability coverage to help protect you in the following situations:

- Bodily Injury • 3rd Party Property Damage
- Defense Costs • Medical Coverage
- Errors & Omissions

Smarter Coverage

No paperwork. All pay-per-work.

Get coverage on your terms, by the job or by the month, from an hour to a year.

Stupid Fast

Quote to policy in 60 seconds.

Get a Certificate of Insurance in three questions. Then get to work!

Total Control

Call the shots, not the Help Desk.

Modify, pause, or cancel policies instantly from your desktop or the app.

Why do I need a Photographer Insurance policy?

Thimble's Photography Insurance policy rate is based on the amount of risk associated with your business. Factors that contribute to pricing include the size of your crew, your specific location, and the duration and amount of coverage you need.

Protect your photography business with flexible, affordable, on-demand, monthly or annual policies from Thimble. To get an accurate idea of how much Photographer Insurance would cost you and your business, give me a call or get an instant quote with the link below.
